

Storm's Ring of Find Steed
Uncommon (requires attunement)

An uninspiring, small golden ring inlaid with an unpolished blue gem, enchanted by **Storm on the Horizon** in a hurry before setting out for **Serpent's Pass**. This ring initially contains 1 charge but can hold a maximum of 2 charges. Each dawn, roll a d100, if the result is a 90 or higher, the ring regains 1 charge of the spell.

A player or creature attuned to this ring may spend 1 charge to cast the spell **Find Steed**.
