Skills Deception +8, Insight +6, Intimidation +8, Investigation +4, Persuasion +8

Senses passive Perception 13

Languages Common, Elvish, Halfling, Undercommon

Challenge 6 (2,300 XP)

Telepathic. You can speak telepathically to any creature you can see within 60 feet of you. Your telepathic utterances are in a language you know, and the creature understands you only if it knows that language. Your communication doesn't give the creature the ability to respond to you telepathically.

You can cast the Detect Thoughts spell, requiring no spell slot or components, and you must finish a long rest before you can cast it this way again. Your spellcasting ability for the spell is the ability increased by this feat. If you have spell slots of 2nd level or higher, you can cast this spell with them.

Pact of the Chain. You learn the find familiar spell and can cast it as a ritual. The spell doesn't count against your number of spells known.

When you cast the spell, you can choose one of the normal forms for your familiar or one of the following special forms: imp, pseudodragon, quasit, or sprite.

Additionally, when you take the Attack action, you can forgo one of your own attacks to allow your familiar to make one attack of its own with its reaction.

Dark One's Blessing. Starting at 1st level, when you reduce a hostile creature to 0 hit points, you gain temporary hit points equal to your Charisma modifier + your warlock level (minimum of 1).

Dark One's Own Luck. Starting at 6th level, you can call on your patron to alter fate in your favor. When you make an ability check or a saving throw, you can use this feature to add a d10 to your roll. You can do so after seeing the initial roll but before any of the roll's effects occur.

Once you use this feature, you can't use it again until you finish a short or long rest.

Agonizing Blast. When you cast eldritch blast, add your Charisma modifier to the damage it deals on a hit.

Lance of Lethargy. Once on each of your turns when you hit a creature with your eldritch blast, you can reduce that creature's speed by 10 feet until the end of your next turn.

ACTIONS

Spellcasting. Grayson is a 7th-level spellcaster. His spellcasting ability is Charisma (spell save DC 15, +7 to hit with spell attacks). Grayson has the following spells prepared:

Cantrips (at will): *Eldritch Blast, Friends, Prestidigitation, Thunderclap, Vicious Mockery*
3rd level (2 slots): *Bane, Dissonant Whispers, Silvery Barbs, Command, Distort Value, Charm Person, Hellish Rebuke, Calm Emotions, Darkness, Blindness/Deafness, Scorching Ray, Beacon of Hope, Daylight, Fireball, Stinking Cloud*

BONUS ACTIONS

Cloak of Flies. As a bonus action, you can surround yourself with a magical aura that looks like buzzing flies. The aura extends 5 feet from you in every direction, but not through total cover. It lasts until you're incapacitated or you dismiss it as a bonus action.

The aura grants you advantage on Charisma (Intimidation) checks but disadvantage on all other Charisma checks. Any other creature that starts its turn in the aura takes poison damage equal to your Charisma modifier (minimum of 0 damage).

Once you use this invocation, you can't use it again until you finish a short or long rest.
